Who We Are

Collective Maintenance Services (CMS) combines over forty years of experience between its founders who decided that there was a better way to deliver professional cleaning and maintenance services.

CMS operates on three basic fundamentals:

1. **A tailored and measured approach to every job, regardless of the size or complexity**
2. **Consistent, quality service with the ability to successfully adapt to changing business needs**
3. **Full transparency every step of the way**

Through individualised, strategic planning and a focus on effective communication, CMS is able to deliver the highest quality outcome at a competitive and efficient price.

Why Choose CMS?

At CMS we are proud to call some of Australia's most recognised household names 'our clients'. Over the years, these strong partnerships have created repeat and referral business, making us the choice for cleaning and maintenance services.

Anytime Fitness

What's impressed us most with Collective Maintenance Services, is that they are a professional organisation with a genuine commitment to delivering exceptional customer service.

They can be contacted at any time if we have any specific or additional requirements they are very efficient and happy in responding to our requests.

Ralph Lauren

The team were proactive in getting out to visit our sites and developing a relationship with our team, which has been appreciated by all.

I wouldn't hesitate to recommend Collective Maintenance Services to others."

SDN Child Services

What we value the most about the services they provide, is the timeliness in responding to requests and completing works. Their quality of workmanship is excellent - and at reasonable pricing.

Collective Maintenance Services is extremely approachable, easy to talk to and always strive to help solve the problem.
